# Worksheet 2.2: Cognitive Fingerprint Profile

*Companion to* Elastic Intelligence, *Chapter 2*

**Name: _____ Date: _____**

**How to use:** Record your scores from the Cognitive Fingerprint Assessment in Chapter 2, then plot them on the blank radar (draw a point on each axis from 1 at the center to 5 at the edge).

| Dimension | Item scores | Average (1–5) | Evidence from my work |
|---|---|---|---|
| Analytical signature | | | |
| Relational signature | | | |
| Creative signature | | | |
| Ethical signature | | | |

**Blank radar:** draw four axes from a center point, label them with the dimensions above, mark your averages, and join the points.

**My rarest combination of strengths:**

---

---

**A problem only that combination can solve:**

---

---

---
